

Natfly 2012 - Temora

The Sky is No Limit

April 6-7, 2012

Natfly at Temora Airfield 2010

Plans are well underway for Natfly 2012 at Temora - the most Aviation Friendly and Supportive Council in Australia!!!

Operations staff work hard to ensure a safe arrival and safe movements on the ground. Quincy and his 'follow me' team are gearing up for the rush of aircraft.

Here is a sneak preview of some of the activities on offer.

If you missed it last year, you will have a chance to visit one of the finest flying warbird museums in the world, on site at Temora Aerodrome.

CAMPING

Plenty of camping in the campground and plenty of Underwing Camping. Book online at: <http://www.temora.com.au>. Some powered sites are also available at the Showgrounds Camping site 1.5 k from the airfield. Les and Fay Harmer 0427 280 339.

FOOD

There will be food on the airfield. Temora Shire Council is again organizing a food court. There is also a bus running constantly in and out of town if you feel like hitting the cafes and pubs at some stage.

DRINK

The Temora Aeroclub will be serving soft drinks and cleansing ales.

FUEL

Avgas is available on the way to Temora at Griffith, Narranderra, Forbes, Narromine and of course there will be a fuel truck at Temora.

Patchwork Inn B&B	(02) 69774565 or 0428 781133
Shamrock Hotel	(02) 6977 2016

VOLUNTEERS

We still need more volunteers.

1. Meeters and Greeters to meet the pilots flying in and distribute programs and information. Times needed are: Thursday afternoon, Friday morning or afternoon, Saturday morning, or afternoon.
2. An IT professional who will be on 'standby' to help presenters get their powerpoint presentations to play and sort out any IT difficulties.
3. Marshallers who are prepared to put in a morning or afternoon.
4. "Follow Me" Marshallers to put in a morning or afternoon.

If you want to be part of the team and give us a hand, contact: Carol Richards, Natfly organiser on: 0407 574 467 or drcrcar@gmail.com

Natfly is supported by the Temora Council and a number of local businesses.

Natfly is mounted in partnership with the Temora Shire Council. The Council is an integral part of the planning, preparation, promotion and presentation of the event. Without the generous support of the Council, Natfly would not be able to grow and meet the needs of the membership. The infrastructure expenditure from the Council on shower and toilet blocks, signage, garbage collection, shuttle buses, taxiway maintenance, tie downs, chairs and tables and audio visual equipment for hangar programs....the list goes on and on.

Thank you Temora Council.

Temora Aviation Museum is a strong supporter of Natfly. Without their encouragement, their involvement and their assistance, Natfly would be poorer. Thanks to Kenny Love and his team at the Temora Aviation Museum.

Kenny Love, CEO

The Team at Temora Aviation Museum

Thanks to Hutcheon & Pearce for a loan of a Gator for the four days of Natfly.

Thanks to Ray White Real Estate for providing tours of the town and a sausage sizzle on the last day for Volunteers.
